

When I first came to Malta I didn't know
any thing about English language. I absolutely
had no clue and I was very nervous
about the whole experience especially
It was the longest period of time I ever
had to spend away from home, but
I was fortunate enough to go to such an amazing
school that welcomed me and made feel
nothing less than ^{at} home.

The atmosphere here at Sprachcaffe is
very comforting and very encouraging
to learn a new language. I didn't just
learned a new language here I learned
about new cultures and traditions
I made a lot of friends here from
around the globe from countries
I never thought I would meet
people from them and what made me
specially happy here is how friendly
people are and how respectful they
are toward my religion freely

With no difficulties what so ever.

I'm really happy that I attended Sprachcaffe and that I came to Malta it is a very wonderful place that I describe to my friends as "The romantic island" and I'm very sure that I will be back one day.
