I heard about this school  
"Sprachcaffe" from a friend of  
mine and I called my agency  
in Bulgaria. A week later I  
was already in Malta.

Before that I had never learned  
English and started here.

Everything was perfectly  
organized, accomodation at  
the school, <sup>the environment</sup> ~~condition~~ for  
learning in the classroom, of  
fantastic teaching methods ~~to~~  
all <sup>the</sup> teachers without any  
stress ~~and load~~.

Based <sup>within</sup> ~~of~~ Sprachcaffe also ~~has~~  
a bistro there I spent a large  
part of <sup>my</sup> ~~the~~ time. <sup>the</sup> staff <sup>in the</sup> bistro  
~~each night~~ preparing <sup>ed</sup> different  
types of games and parties, ~~it~~  
it was very fun. Here I met  
many different people from  
around the world and some  
of them ~~are~~ a very good  
friends ~~for~~. I made

**fibran**

I spent <sup>a</sup> very good time in  
Malta because I learned  
English and I am so happy~~ness~~.  
I love this place.
