What did you think about your language travel?

For four weeks I stayed in Malaga Plus and I must say I had an absolute great time! The teachers were well qualified and very friendly as well. I learned to speak much better due to the interactive classes.

But the best of all was the daily activities I experienced. For example we visited nice Museums, went boating and surfing, we had weekly meetings to connect with all the (new) people. And our guides like Jose and Elena are the best in the world!
